Chorus 1

I've got a new song
A new song of praise in me

A new song of praise in me

Your mercy my plea
You showed Yourself faithful
And loyal to me

Though evil has surrounded me
My sins have taken hold
You are my help and advocate
My enemies will fold

You have preserved me
With kindness and love
Many and wondrous
Are your thoughts of us

You pulled me from the deadly pit
You silenced mouths that mock
You turned toward me and heard my cry
Then set my feet on rock
